Director's Message

Love and blessings to you, all our readers. God is good, all the time. I bring greetings to you from the Good Shepherd Foundation Uganda.

On behalf of the foundation, I want to thank all of our generous donors for giving towards this ministry. May God bless you in your generosity as you support us.

For those of you who have not given, please consider making a donation and know that every dollar is used to touch lives and transform them for Christ.

A lot has happened in the last month. The students had a short term holiday and later came back for their last term semester. They are working hard in their studies to finish the year strong.

Thank you for all you do - this ministry would not be possible without your support.
